### Work Experience

**Content Creator and Moderator at [www.gamersrev.com](http://www.gamersrev.com)** **From June 2017**  
Worked as a Content Creator and Moderator and helped in the development of the website.

### Project work

**The History and Development of Modern Internet** **Nov 2017 – Dec 2017**  
Did a research project on The History and Development of Modern Internet and how it evolved from earlier versions into the interactive and user friendly internet we today are familiar with under Professor Bhawna Aurora.

**Login and Registration Project** **June 2017-July 2017**  
[HTML5, CSS3]  
Developed a Login and Registration webpage to allow the visitors to create an user ID and password to sign up to the website or login to their account if already registered previously.

**E-Sales Project** **Nov 2016- Dec 2016**  
[ C, C++]  
Developed a sales and inventory management program to manage details of payment, inventory, purchasing and supplies. The purpose of the project is to reduce manual work for managing the payment, inventory and sales.

### Extra Curricular Activities

**Volunteer at Swachhalay**  
[NGO aimed at creating cleaner and greener cities]
